## A Message from the Co-Presidents: Janine and Kerri:

On this our last newsletter of the year, it is time for me to say thank you and goodbye. To my fellow PTO board members: Janine Diliberto, Noelle Freeman, Monica Gilbody and Melissa Magnuson - you are amazing women and have done so much for this school. I am so honored to have worked with you. To all the parents who contributed to our successful year by volunteering THANK YOU from the bottom of my heart...I truly believe you have made a difference in the lives of our children. To the Coolidge staff and teachers, you are such a special group of people. I am so glad that I have had the opportunity to get to know some of you more and been able to work with you during the past two years to help enrich the lives of the Coolidge students. What you do everyday continues to amaze me!! Mrs. Stacey and Mrs. Zimmermann you have given so much of yourselves to me and the PTO projects and activities. We would never be as successful as we are without such great support from you both...thank you. AND to Mrs. Clark...the parents who have worked with you and who know you, truly do know how lucky we are to have been able to be a part of your school. The devotion to our children's education, safety and happiness is evident in all you do for us and with us and even more so it is clear to our children as well. You will be missed and I will miss you. I will miss everyone here at Coolidge as my family begins a new chapter of our lives in suburban Maryland. I feel so blessed to have been able to be a part of such a special community and I thank you for the opportunities and support. I leave you in good hands with Sue Harris and Karen Jervah at the helm. I know the road ahead will be challenging but I also know the Coolidge community will rise above and work together to meet the goal of enriching our children's educational experiences. Thank you and best wishes. Respectfully, Kerri Reid Co-President.
